"There is a bridge between the Church and our Youth."

A SPIRITUAL EXPERIENCE

A RENEWED PURPOSE

A RELEVANT TIME

Dear Pastor,

HIP HOP & CHRISTIANITY, is a visiting conference series for youth and young adults through the facilitation of Hezekiah Griggs III, "America's Youngest Media Mogul." The conference series is currently making efforts to visit churches throughout the country hoping to foster a bridge of communication between youth in the HIP HOP GENERATION and THE CHURCH.

As a Host Church, your members will have the opportunity to learn about important leadership and business principles, communication tools to reach out to young adults, and how living "with Christ" can provide the opportunities needed to change and empower people of all ages. Members will also have the opportunity to engage with Hezekiah Griggs III personally.

The conference encourages community development, economic empowerment, and spiritual enrichment. The format of the conference generally calls for a two-day summit, with an open forum facilitated by Mr. Griggs, with the following day hosting a Youth Night with a guest minister invited by Mr. Griggs personally. However, this format can be modified. In today's environment our communities need to be assured of positive alternatives in the body of Christ to reach the level of success we all desire. Mr. Griggs is an outstanding example of how one can take blessings for himself, and become the architect of blessings for others.

We invite you to become a part of this worthwhile cause, to help empower a generation spiritually responsible for their futures. FOR MORE INFORMATION SEND AN EMAIL TO: HHC@HEZEKIAHGRIGGS.COM
